

Amendment No. 624 to Senate FY 2014 Budget Resolution (S. CON. RES 8)

SA 624. Mr. JOHANNIS submitted an amendment intended to be proposed by him to the concurrent resolution S. Con. Res. 8, setting forth the congressional budget for the United States Government for fiscal year 2014, revising the appropriate budgetary levels for fiscal year 2013, and setting forth the appropriate budgetary levels for fiscal years 2015 through 2023; as follows:

AMENDMENT PURPOSE:

To establish a deficit-neutral reserve fund to restore families' health care flexibility by repealing the \$2,500 federal cap on flexible spending accounts and the requirement that individuals obtain a prescription from a physician before purchasing over-the-counter drugs with their own flexible spending account or health savings account dollars in order to safeguard families' capacity to plan ahead for the rising cost of care, make their own health care decisions, and ensure children who have special needs can receive adequate care.
