About the Series

The international benefits arena has become one of the fastest growing areas of Council activity. As many member companies have an increasing portion of employees, markets and revenue outside the United States, understanding global benefits and compensation challenges has become more important than ever. To keep you apprised of the Council's efforts in the international arena, we sponsor our *Benefits Passport* series of updates and webinars, examining international benefits developments and what they mean for U.S. companies.

For questions related to registration – or if you have colleagues at your organization who would like to participate in this call, but do not regularly receive Council materials – please contact [Deanna Johnson](#), director, membership, or [Sondra West](#), membership services coordinator, at (202) 289-6700.
