2 considering a conference report on, or an amendment be-  
3 tween the Houses in relation to, a bill, upon a point of  
4 order being made by any Senator pursuant to this section,  
5 and such point of order being sustained, such material  
6 contained in such conference report shall be stricken, and  
7 the Senate shall proceed to consider the question of wheth-  
8 er the Senate shall recede from its amendment and concur  
9 with a further amendment, or concur in the House amend-  
10 ment with a further amendment, as the case may be,  
11 which further amendment shall consist of only that portion  
12 of the conference report or House amendment, as the case  
13 may be, not so stricken. Any such motion in the Senate  
14 shall be debatable. In any case in which such point of  
15 order is sustained against a conference report (or Senate  
16 amendment derived from such conference report by oper-  
17 ation of this subsection), no further amendment shall be  
18 in order.

19 (f) INAPPLICABILITY.—In the Senate, section 402 of  
20 S. Con. Res. 13 (111th Congress) shall no longer apply.

21 **SEC. 403. ADJUSTMENTS FOR SEQUESTRATION OR SEQUES-**  
22 **TRATION REPLACEMENT.**

23 (a) ADJUSTMENTS UNDER CURRENT LAW.—If the  
24 enforcement procedures established under section 251A of  
25 the Balanced Budget and Emergency Deficit Control Act

1 of 1985 and section 901(e) of the American Taxpayer Re-  
2 lief Act of 2012 go into, or remain in effect, the Chairman  
3 of the Committee on the Budget of the Senate may adjust  
4 the allocation called for in section 302(a) of the Congres-  
5 sional Budget Act of 1974 (2 U.S.C. 633(a)) to the appro-  
6 priate committee or committees of the Senate, and may  
7 adjust all other budgetary aggregates, allocations, levels,  
8 and limits contained in this resolution, as necessary, con-  
9 sistent with such enforcement.

10 (b) ADJUSTMENTS IF AMENDED.—If a measure be-  
11 comes law that amends the discretionary spending limits  
12 established under section 251(c) of the Balanced Budget  
13 and Emergency Deficit Control Act of 1985, the adjust-  
14 ments to discretionary spending limits under section  
15 251(b) of that Act, or the enforcement procedures estab-  
16 lished under section 251A of that Act or section 901(e)  
17 of the American Taxpayer Relief Act of 2012, the Chair-  
18 man of the Committee on the Budget of the Senate may  
19 adjust the allocation called for in section 302(a) of the  
20 Congressional Budget Act of 1974 (2 U.S.C. 633(a)) to  
21 the appropriate committee or committees of the Senate,  
22 and may adjust all other budgetary aggregates, alloca-  
23 tions, levels, and limits contained in this resolution, as  
24 necessary, consistent with such measure.

1 **SEC. 404. SENATE POINT OF ORDER AGAINST PROVISIONS**  
2 **OF APPROPRIATIONS LEGISLATION THAT**  
3 **CONSTITUTE CHANGES IN MANDATORY PRO-**  
4 **GRAMS AFFECTING THE CRIME VICTIMS**  
5 **FUND.**

6 (a) **IN GENERAL.**—In the Senate, it shall not be in  
7 order to consider any appropriations legislation, including  
8 any amendment thereto, motion in relation thereto, or  
9 conference report thereon, that includes any provision or  
10 provisions affecting the Crime Victims Fund (as estab-  
11 lished by section 1402 of Public Law 98–473 (42 U.S.C.  
12 10601)) which constitutes a change in a mandatory pro-  
13 gram that would have been estimated as affecting direct  
14 spending or receipts under section 252 of the Balanced  
15 Budget and Emergency Deficit Control Act of 1985 (as  
16 in effect prior to September 30, 2002) were they included  
17 in legislation other than appropriations legislation. A point  
18 of order pursuant to this section shall be raised against  
19 such provision or provisions as described in subsections  
20 (d) and (e).

21 (b) **DETERMINATION.**—The determination of whether  
22 a provision is subject to a point of order pursuant to this  
23 section shall be made by the Committee on the Budget  
24 of the Senate.

25 (c) **SUPERMAJORITY WAIVER AND APPEAL.**—This  
26 section may be waived or suspended in the Senate only

1 by an affirmative vote of three-fifths of the Members, duly  
2 chosen and sworn. An affirmative vote of three-fifths of  
3 the Members of the Senate, duly chosen and sworn, shall  
4 be required to sustain an appeal of the ruling of the Chair  
5 on a point of order raised under this section.

6 (d) GENERAL POINT OF ORDER.—It shall be in order  
7 for a Senator to raise a single point of order that several  
8 provisions of a bill, resolution, amendment, motion, or con-  
9 ference report violate this section. The Presiding Officer  
10 may sustain the point of order as to some or all of the  
11 provisions against which the Senator raised the point of  
12 order. If the Presiding Officer so sustains the point of  
13 order as to some of the provisions (including provisions  
14 of an amendment, motion, or conference report) against  
15 which the Senator raised the point of order, then only  
16 those provisions (including provision of an amendment,  
17 motion, or conference report) against which the Presiding  
18 Officer sustains the point of order shall be deemed strick-  
19 en pursuant to this section. Before the Presiding Officer  
20 rules on such a point of order, any Senator may move to  
21 waive such a point of order as it applies to some or all  
22 of the provisions against which the point of order was  
23 raised. Such a motion to waive is amendable in accordance  
24 with rules and precedents of the Senate. After the Pre-  
25 siding Officer rules on such a point of order, any Senator

1 may appeal the ruling of the Presiding Officer on such  
2 a point of order as it applies to some or all of the provi-  
3 sions on which the Presiding Officer ruled.

4 (e) FORM OF THE POINT OF ORDER.—When the  
5 Senate is considering a conference report on, or an amend-  
6 ment between the Houses in relation to, a bill, upon a  
7 point of order being made by any Senator pursuant to this  
8 section, and such point of order being sustained, such ma-  
9 terial contained in such conference report or amendment  
10 shall be deemed stricken, and the Senate shall proceed to  
11 consider the question of whether the Senate shall recede  
12 from its amendment and concur with a further amend-  
13 ment, or concur in the House amendment with a further  
14 amendment, as the case may be, which further amendment  
15 shall consist of only that portion of the conference report  
16 or House amendment, as the case may be, not so stricken.  
17 Any such motion shall be debatable. In any case in which  
18 such point of order is sustained against a conference re-  
19 port (or Senate amendment derived from such conference  
20 report by operation of this subsection), no further amend-  
21 ment shall be in order.

22 **SEC. 405. SUPERMAJORITY ENFORCEMENT.**

23 Section 425(a)(1) and (2) of the Congressional Budg-  
24 et Act of 1974 shall be subject to the waiver and appeal

1 requirements of subsections (c)(2) and (d)(3) of section  
2 904 of the Congressional Budget Act of 1974.

3 **SEC. 406. PROHIBITING THE USE OF GUARANTEE FEES AS**  
4 **AN OFFSET.**

5 (a) **PURPOSE.**—The purpose of this section is to en-  
6 sure that increases in guarantee fees charged by Fannie  
7 Mae and Freddie Mac shall not be used to offset provi-  
8 sions that increase the deficit.

9 (b) **BUDGETARY RULE.**—In the Senate, for purposes  
10 of determining budgetary impacts to evaluate points of  
11 order under this resolution and the Congressional Budget  
12 Act of 1974, this resolution, any previous resolution, and  
13 any subsequent budget resolution, provisions contained in  
14 any bill, resolution, amendment, motion, or conference re-  
15 port that increases any guarantee fees of Fannie Mae and  
16 Freddie Mac shall not be scored with respect to the level  
17 of budget authority, outlays, or revenues contained in such  
18 legislation.

19 **Subtitle B—Other Provisions**

20 **SEC. 411. OVERSIGHT OF GOVERNMENT PERFORMANCE.**

21 In the Senate, all committees are directed to review  
22 programs and tax expenditures within their jurisdiction to  
23 identify waste, fraud, abuse, or duplication, and increase  
24 the use of performance data to inform committee work.  
25 Committees are also directed to review the matters for

1 congressional consideration identified on the Government  
2 Accountability Office's High Risk list and the annual re-  
3 port to reduce program duplication. Based on these over-  
4 sight efforts and performance reviews of programs within  
5 their jurisdiction, committees are directed to include rec-  
6 ommendations for improved governmental performance in  
7 their annual views and estimates reports required under  
8 section 301(d) of the Congressional Budget Act of 1974  
9 to the Committees on the Budget.

14 the Budget Enforcement Act of 1990, and section 2009a  
15 of title 39, United States Code, the joint explanatory  
16 statement accompanying the conference report on any con-  
17 current resolution on the budget shall include in its alloca-  
18 tions under section 302(a) of the Congressional Budget  
19 Act of 1974 to the Committees on Appropriations amounts  
20 for the discretionary administrative expenses of the Social  
21 Security Administration and of the Postal Service.

22 **SEC. 413. APPLICATION AND EFFECT OF CHANGES IN ALLO-**  
23 **CATIONS AND AGGREGATES.**

24 (a) APPLICATION.—Any adjustments of allocations  
25 and aggregates made pursuant to this resolution shall—

1 olution in accordance with section 251(b) of the Balanced  
2 Budget and Emergency Deficit Control Act of 1985.

3 **SEC. 415. EXERCISE OF RULEMAKING POWERS.**

4 Congress adopts the provisions of this title—

5 (1) as an exercise of the rulemaking power of  
6 the Senate, and as such they shall be considered as  
7 part of the rules of the Senate and such rules shall  
8 supersede other rules only to the extent that they  
9 are inconsistent with such other rules; and

10 (2) with full recognition of the constitutional  
11 right of the Senate to change those rules at any  
12 time, in the same manner, and to the same extent  
13 as is the case of any other rule of the Senate.

14 **SEC. 416. CONGRESSIONAL BUDGET OFFICE ESTIMATES.**

15 (a) REQUEST FOR SUPPLEMENTAL ESTIMATES.—In  
16 the case of any legislative provision to which this section  
17 applies, the Congressional Budget Office, with the assist-  
18 ance of the Joint Committee on Taxation, shall prepare,  
19 to the extent practicable, as a supplement to the cost esti-  
20 mate for legislation affecting revenues, an estimate of the  
21 revenue changes in connection with such provision that in-  
22 corporates the macroeconomic effects of the policy being  
23 analyzed. Any macroeconomic impact statement under the  
24 preceding sentence shall be accompanied by a written

1 statement fully disclosing the economic, technical, and be-  
 2 havioral assumptions that were made in producing—

3 (1) such estimate; and

4 (2) the conventional estimate in connection with  
 5 such provision.

6 (b) LEGISLATIVE PROVISIONS TO WHICH THIS SEC-  
 7 TION APPLIES.—This section shall apply to any legislative  
 8 provision—

9 (1) which proposes a change or changes to law  
 10 that the Congressional Budget Office determines,  
 11 pursuant to a conventional fiscal estimate, has a rev-  
 12 enue impact in excess of \$5,000,000,000 in any fis-  
 13 cal year; or

14 (2) with respect to which the chair or ranking  
 15 member of the Committee on the Budget of either  
 16 the Senate or the House of Representatives has re-

## 18 **TITLE V—OTHER MATTERS**

### 19 **SEC. 501. TO REQUIRE TRANSPARENT REPORTING ON THE** 20 **ONGOING COSTS TO TAXPAYERS OF** 21 **OBAMACARE.**

22 When the Congressional Budget Office releases its  
 23 annual Update to the Budget and Economic Outlook, the  
 24 Congressional Budget Office shall report changes in direct  
 25 spending and revenue associated with the Patient Protec-

1 tion and Affordable Care Act (Public Law 111–148) and  
 2 the Health Care and Education Reconciliation Act of 2010  
 3 (Public Law 111–152), including the net impact on def-  
 4 icit, both with on-budget and off-budget effects. The infor-  
 5 mation shall be similar to that provided in Table 2 of the  
 6 Congressional Budget Office’s March 20, 2010 estimate  
 7 of the budgetary effects of the Health Care and Education  
 8 Reconciliation Act of 2010 and the Patient Protection and  
 9 Affordable Care Act (PPACA), as passed by the Senate.

10 **SEC. 502. TO REQUIRE FULLER REPORTING ON POSSIBLE**  
 11 **COSTS TO TAXPAYERS OF OBAMACARE.**

12 When the Congressional Budget Office releases its  
 13 annual update to the Budget and Economic Outlook, the  
 14 Congressional Budget Office shall provide an analysis of  
 15 the budgetary effects of 30 percent, 50 percent, and 100  
 16 percent of Americans losing employer sponsored health in-  
 17 surance and accessing coverage through Federal or State  
 18 exchanges.

19 **SEC. 503. TO REQUIRE FULLER REPORTING ON POSSIBLE**  
 20 **COSTS TO TAXPAYERS OF ANY BUDGET SUB-**  
 21 **MITTED BY THE PRESIDENT.**

22 When the Congressional Budget Office submits its re-  
 23 port to Congress relating to a budget submitted by the  
 24 President for a fiscal year under section 1105 of title 31,  
 25 United States Code, such report shall contain—

1           (1) an estimate of the pro rata cost for tax-  
2 payers who will file individual income tax returns for  
3 taxable years ending during such fiscal year of any  
4 deficit that would result from the budget; and

5           (2) an analysis of the budgetary effects de-  
6 scribed in paragraph (1).

7 **SEC. 504. SENSE OF SENATE ON UNDERUTILIZED FACILI-**  
8 **TIES OF THE NATIONAL AERONAUTICS AND**  
9 **SPACE ADMINISTRATION AND THEIR POTEN-**  
10 **TIAL USE.**

11 (a) FINDINGS.—The Senate finds the following:

12           (1) The National Aeronautics and Space Ad-  
13 ministration (NASA) is the ninth largest real prop-  
14 erty holder of the Federal Government, with more  
15 than 124,000 acres and more than 4,900 buildings  
16 and other structures with a replacement value of  
17 more than \$30,000,000,000.

18           (2) The annual operation and maintenance  
19 costs of the National Aeronautics and Space Admin-  
20 istration have increased steadily, and, as of 2012,  
21 the Administration has more than \$2,300,000,000  
22 in annual deferred maintenance costs.

23           (3) According to Office of Inspector General  
24 (OIG) of the National Aeronautics and Space Ad-  
25 ministration, the Administration continues to retain

1 real property that is underutilized, does not have  
2 identified future mission uses, or is duplicative of  
3 other assets in its real property inventory.

4 (4) The Office of Inspector General, the Gov-  
5 ernment Accountability Office (GAO), and Congress  
6 have identified the aging and duplicative infrastruc-  
7 ture of the National Aeronautics and Space Admin-  
8 istration as a high priority and longstanding man-  
9 agement challenge.

10 (5) In the NASA Authorization Act of 2010,  
11 Congress directed the National Aeronautics and  
12 Space Administration to examine its real property  
13 assets and downsize to fit current and future mis-  
14 sions and expected funding levels, paying particular  
15 attention to identifying and removing unneeded or  
16 duplicative infrastructure.

17 (6) The Office of Inspector General found at  
18 least 33 facilities, including wind tunnels, test  
19 stands, airfields, and launch infrastructure, that  
20 were underutilized or for which National Aeronautics  
21 and Space Administration managers could not iden-  
22 tify a future mission use and that the need for these  
23 facilities have declined in recent years as a result of  
24 changes in the mission focus of the Administration,

1 the condition and obsolescence of some facilities, and  
2 the advent of alternative testing methods.

3 (7) The Office of Inspector General found that  
4 the National Aeronautics and Space Administration  
5 has taken steps to minimize the costs of continuing  
6 to maintain some of these facilities by placing them  
7 in an inactive state or leasing them to other parties.

8 (8) The National Aeronautics and Space Ad-  
9 ministration has a series of initiatives underway  
10 that, in the judgment of the Office of Inspector Gen-  
11 eral, are “positive steps towards ‘rightsizing’ its real  
12 property footprint”, and the Office of Inspector Gen-  
13 eral has concluded that “it is imperative that NASA  
14 move forward aggressively with its infrastructure re-  
15 duction efforts”.

16 (9) Existing and emerging United States com-  
17 mercial launch and exploration capabilities are pro-  
18 viding cargo transportation to the International  
19 Space Station and offer the potential for providing  
20 crew support, access to the International Space Sta-  
21 tion, and missions to low Earth orbit while the Na-  
22 tional Aeronautics and Space Administration focuses  
23 its efforts on heavy-lift capabilities and deep space  
24 missions.

1           (10) National Aeronautics and Space Adminis-  
2           tration facilities and property that are underutilized,  
3           duplicative, or no longer needed for Administration  
4           requirements could be utilized by commercial users  
5           and State and local entities, resulting in savings for  
6           the Administration and a reduction in the burden of  
7           the Federal Government to fund space operations.

8           (b) SENSE OF SENATE.—It is the sense of the Senate  
9           that the levels in this concurrent resolution assume—

10           (1) the National Aeronautics and Space Admin-  
11           istration should move forward with plans to reduce  
12           its infrastructure and, to the greatest extent prac-  
13           ticable, make property available for lease to a gov-  
14           ernment or private tenant or report the property to  
15           the General Services Administration (GSA) for sale  
16           or transfer to another entity;

17           (2) the National Aeronautics and Space Admin-  
18           istration should pursue opportunities for streamlined  
19           sale or lease of property and facilities, including for  
20           exclusive use, to a private entity, or expedited con-  
21           veyance or transfer to a State or political subdivi-  
22           sion, municipality, instrumentality of a State, or De-  
23           partment of Transportation-licensed launch site op-  
24           erators for the promotion of commercial or scientific

1 space activity and for developing and operating  
2 space launch facilities; and

3 (3) leasing or transferring underutilized facili-  
4 ties and properties to commercial space entities or  
5 State or local governments will reduce operation and  
6 maintenance costs for the National Aeronautics and  
7 Space Administration, save money for the Federal  
8 Government, and promote commercial space and the  
9 exploration goals of the Administration and the  
10 United States.

Passed the Senate March 23 (legislative day, March  
22), 2013.
