P4P ... “Preparing for PPACA” Webinar Series
Session #31: 40% Excise Tax on High-Cost Health Coverage
Thursday, July 24, 2:00-3:30 p.m. ET

The American Benefits Council will continue its **P4P ... Preparing for PPACA** series on **Thursday, July 24, at 2 p.m. Eastern Time**, with a webinar on the health care law's 40 percent excise tax on high-cost health coverage, scheduled to take effect in 2018.

While implementation of the excise tax on high cost plans is still a few years away and implementation guidance has not been issued, employers are working now to assess how the tax affects their plans and considering approaches to avoid triggering it.

***Kathryn Wilber**, senior counsel, health policy, will moderate the discussion.*

- ***[Seth Perretta](#)**, Principal, Groom Law Group, will review the statutory requirements, including the types of health coverage that are counted for purposes of the tax, calculation of the tax and who is liable for payment.*
- ***Tracy Watts**, Senior Partner, Mercer, will discuss current trends in employer strategies for avoiding the excise tax.*

We will take questions from webinar participants throughout the session and attempt to answer as many as possible. Members are encouraged to [submit questions for the webinar in advance](#).

About the Series

The “P4P ... Preparing for PPACA” series regularly examines the plan design and operational challenges and (where applicable) the opportunities presented by PPACA and its implementing regulations as employers work to comply with the health law.
